FIRED UP!!!

FIRED UP

Fired Up not only means "hot" and "excited", it means a new beginning, a fresh start with a winning attitude. Not only did our sports success this year speak to this theme, but also the spirit and feeling of the entire studentbody as a united force showed the Lakers full of fire and energy. When we hear "Lakers", we not only think of mighty excitement, but also people excelling in academics, sports, and in the art of compassion and brotherhood. To the faculty, it speaks of linking minds of students to their own with a desire to see each student reach a utopian level of success.
Staff and students all forged together, fired up, to make Bonneville burn to bright intensity.

The Admiralty

Carl Boyington, Noel Zabriskie, Cheryl Nash, Scott Greenwell

At the beginning of this year, we tried to get everyone fired up about our school and about developing Laker Pride. In this process, you have experienced situations which have resulted in feelings of happiness and sorrow, pride and regret, success and failure, achievement and frustration. We hope you will be able to internalize these feelings and experiences and from them, develop skills and attitudes which will enable you to meet the challenges of the future and to help prepare you to be leaders and useful citizens of tomorrow. We appreciate your pride in yourselves and in our school. Let us challenge you to stay fired up wherever your path may lead. Thanks for being Lakers!

Studentbody Officers

Craig Burton, Cherrie Brown, Ruth Taylor, Alec Barrow

We, the SBO's, would like to sincerely thank you, the studentbody, for making this year so successful. We have seen more Lakers get involved in sporting events, assemblies, academics, and promoting Laker Pride than we had ever thought possible. We would like to congratulate the graduating Class of '87 for all their many achievements, and we would also like to wish the classes of '88 and '89 the best of luck in the years to come. May you prove not only that "The Pride Is Back", but that "The Pride Is Here To Stay".

Thanks for everything,

Helping Lakers Stay GREAT!!!

Cooks

Starting early in the morning, these hard-working ladies saw to our needs and filled us with satisfying, nutritous meals every day of the year. Even when the lights went out and the pipes were plugged, they took care of all fifteen hundred of us. Thousands of pounds of chocolate chips, gallons of salad dressing, and myriads of burritos were carefully prepared for our grumbling stomachs. To these ladies of the kitchen, we salute their patience and diligent efforts. THANKS FROM THE LAKERS!

ORGANIZATIONS

Welcoming Committee

At the beginning of the school year, the Welcoming Committee showed all the new students around the school. They then turned their efforts to new, incoming students who arrive throughout the year. They make these people feel more comfortable by eating lunch with them and taking them to school activities. That way every new student starts his experience at Bonneville with at least one new friend.

THE SOBS

The SOB's are the underground bad boys of Bonneville, the unsung heroes of chaos and bedlam. Their slogan, "Get Ahead in '87" helped them carry on their traditions. President Clucky Baldwin was in hiding during most of the year, but other officers took over his duties. Vice president Pat Murphy, secretary James Heninger, treasurer Anthony Godfrey, historian Dave Williams, and advisor Dan Miles kept things rolling. RUN SOB, the musical break-off from the Sons of Bonneville consisted of Dave "Mr. Music" Williams, Anthony "Rap It Up" Godfrey, and Patrick "Mad Dog" Murphy. They performed several times during assemblies, as well as on television. They even blew up a new television in the Laker Library with their mystical powers.

At Their Best In '87

The Bonneville 1986-87 varsity and JV squads participated in many activities this year. In the summer they were in four parades, and in summer camp they placed in the top six finalists to attend the national competition. During the year they supported all the school teams. The highlight of their year was cheering the football and basketball teams on to the state finals and the basketball state championship.

A theme could not be anymore fitting to suit this year's yearbook staff than that of "Fired Up". They went about their jobs with enthusiasm and vigor, meeting deadlines for this, the largest book ever produced at Bonneville, never tiring at their goal . . . to produce the best product they could. They set about to find new ways to present the history of this year in such a way as to feature as many of the students as possible, because they truly believed all Lakers are great and should be shown as such.

It had been ten years since Bonneville had produced a musical, and this year's cast and crew made it a spectacular comeback. South Pacific proved to be popular with the studentbody, parents, and community. Representatives from the school board and KSL television also applauded it as well. All who attended said this year's musical was one of those things that made the Lakers GREAT!

This year's choir theme was "Just For the Fun of It", and it was quite evident throughout the year that choir members had just that . . . fun! They performed in many activities, including a highlight as they traveled to New York City where they sang in the Lincoln Center. It was a year no choir member will ever forget. What a fired up group!

Wrestling

Half-Nelsons, body slams, arm bars, stacks! Such was the vocabulary of the mighty Laker wrestling team. Practices produced strange contortions of body and face. Meets brought many avid fans cheering hopefully for points and pins, as the Laker men faced their grueling matches with vengeance. This year's team was young and fierce, looking for experience. At the end of the season, three Lakers had qualified for the state tourney: Gerald Harris, a senior, Jim Jones, a junior, and Preston Brown, a sophomore. CONGRATULATIONS TO A FINE '86 TEAM!

Second Place-State

The 1987 soccer season brought home more honors to the Lakers. A fired up team kept the pace going, as they posted a 15-2-4 record. The team went undefeated until the semi-final round of the state playoffs. In the process they stopped Woods Cross's 56 game winning streak. In spite of a narrow defeat by Clearfield in the semi-finals, the Lakers went on to their third state final game of the year, an astounding accomplishment. But in a game witnessed by the largest soccer crowd in Utah history, the Lakers lost a heartbreaker to Woods Cross, netting a second place trophy.

A season of glory! A team so fired up and a studentbody full of spirit and hope behind them. That was the 1986 fall football season at BHS. We met our opponents with enthusiasm and skill, taking it all the way to the State Finals. A record of twelve straight wins behind us, we pushed and played with fire in our hearts. The battle was a hard one against Highland, and in the last minutes we found ourselves five points short. But with Laker courage we kept at it, never giving up. Though the day ended in disappointment, we look back upon this season as one of might, strength, growth, and honor . . . as the Lakers, team, coaches, and fans shared a glorious time we can all be proud of.

Our fired up ladies' volleyball team set, bumped, and spiked their way through a great season in '86 that led them to a consolation win at the state tourney. Not only did they show great athletic ability, but they scored well in academics. Kris James and Cherrie Brown were chosen for the State Academic team. Not bad! Two of ten in the state receiving this honor were Lady Lakers. For all their hard work, stamina, and determination, not to mention classy looks, we salute our Ladies.

Ladies In Action

The ladies' volleyball team started strong and waged war the entire season. Their fired up attitude netted them the second place seat in the region and the consolation trophy in the state tournament. The Lady Lakers not only showed their vim and vigor, but remained ladies at all times. We're proud of some mighty fine Laker gals.

Our golf team started the year off right with a big win at the "Laker Invitational" at Riverside. They collected wins at Wolf Creek Invitational and the City-County tourney. Finally came the region tournament, where the team found themselves behind by a single point. But the confidence of the team prevailed and they took first place in the end. Those making the all-region team were Roger Cox, Jeff Warnick, Mike Carr, Paul Hammond, and Kevin Darby. At State the team showed a strong fifth, with Jeff Warnick and Paul Hammond making the all-state team.

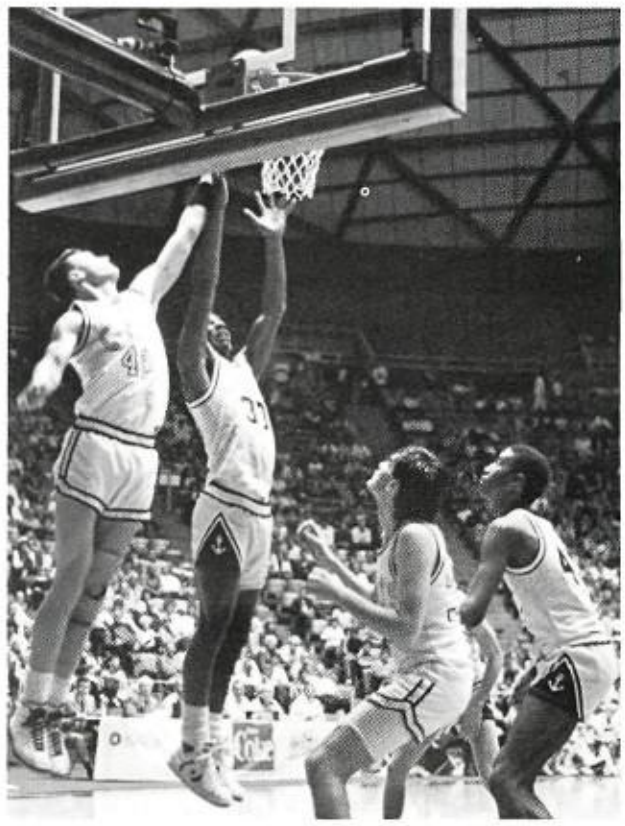
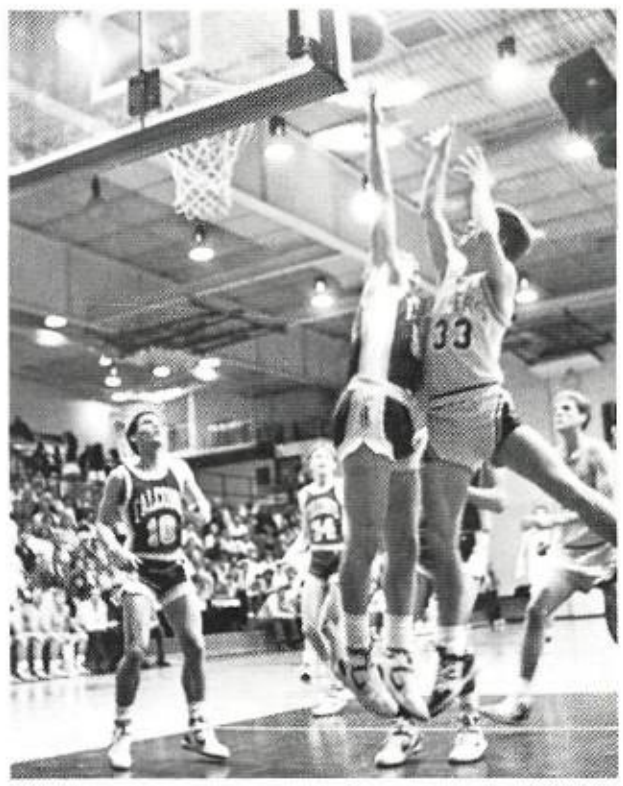
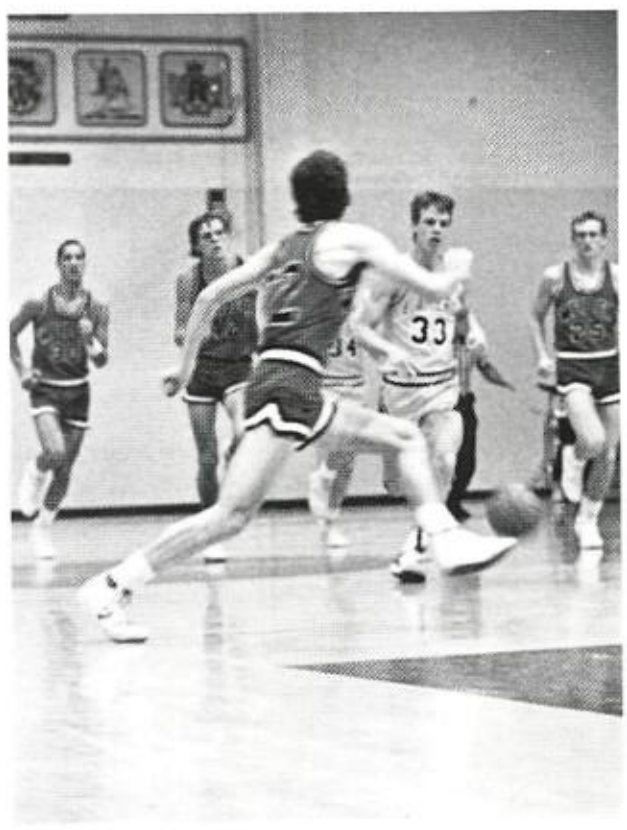
STATE Champs 87







For the third straight year, the Lakers, otherwise known as the "Cardiac Kids", took the region title. Eyes were then set hopefully on the state title, an attempt to repeat the '85 victory. The Laker men made every second of their games full of thrills, playing close ball, their forte. Then with three victories behind them, the game with Cottonwood proved to be the epitome of "Fired Up", as Mike Sivulich took that last shot with four seconds left on the clock and iced the title 52-51. We'll never forget the spirit and heart of the "Team of Destiny" as all of us savored the success of their efforts.

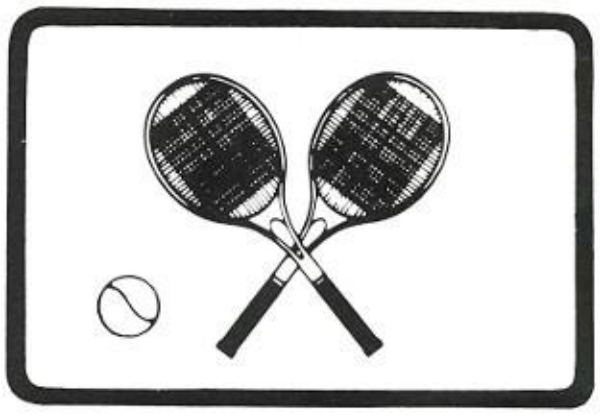
Practicing form to get it just right.



With high-powered slams and hard services, the men from Bonneville fought through an excellent season. Not only did they show excellence in all their individual play, but they brought home yet another region trophy for their efforts. Strutting their stuff at State, they were able to net a sixth place overall, a fine showing for a young team. We salute our boys with the rackets.

A safe slide

Baseball had a season full of sweet victories and some sad defeats. Starting out with a fired-up pace during pre-season, the Lakers posted a 5-1 record. But things slowed down in the season play netting them a 5-5 record. But our boys still went on to the state playoffs, even though Cyprus eliminated them in the first round. It was a season of fun and hard work, but surely one we can be proud of.

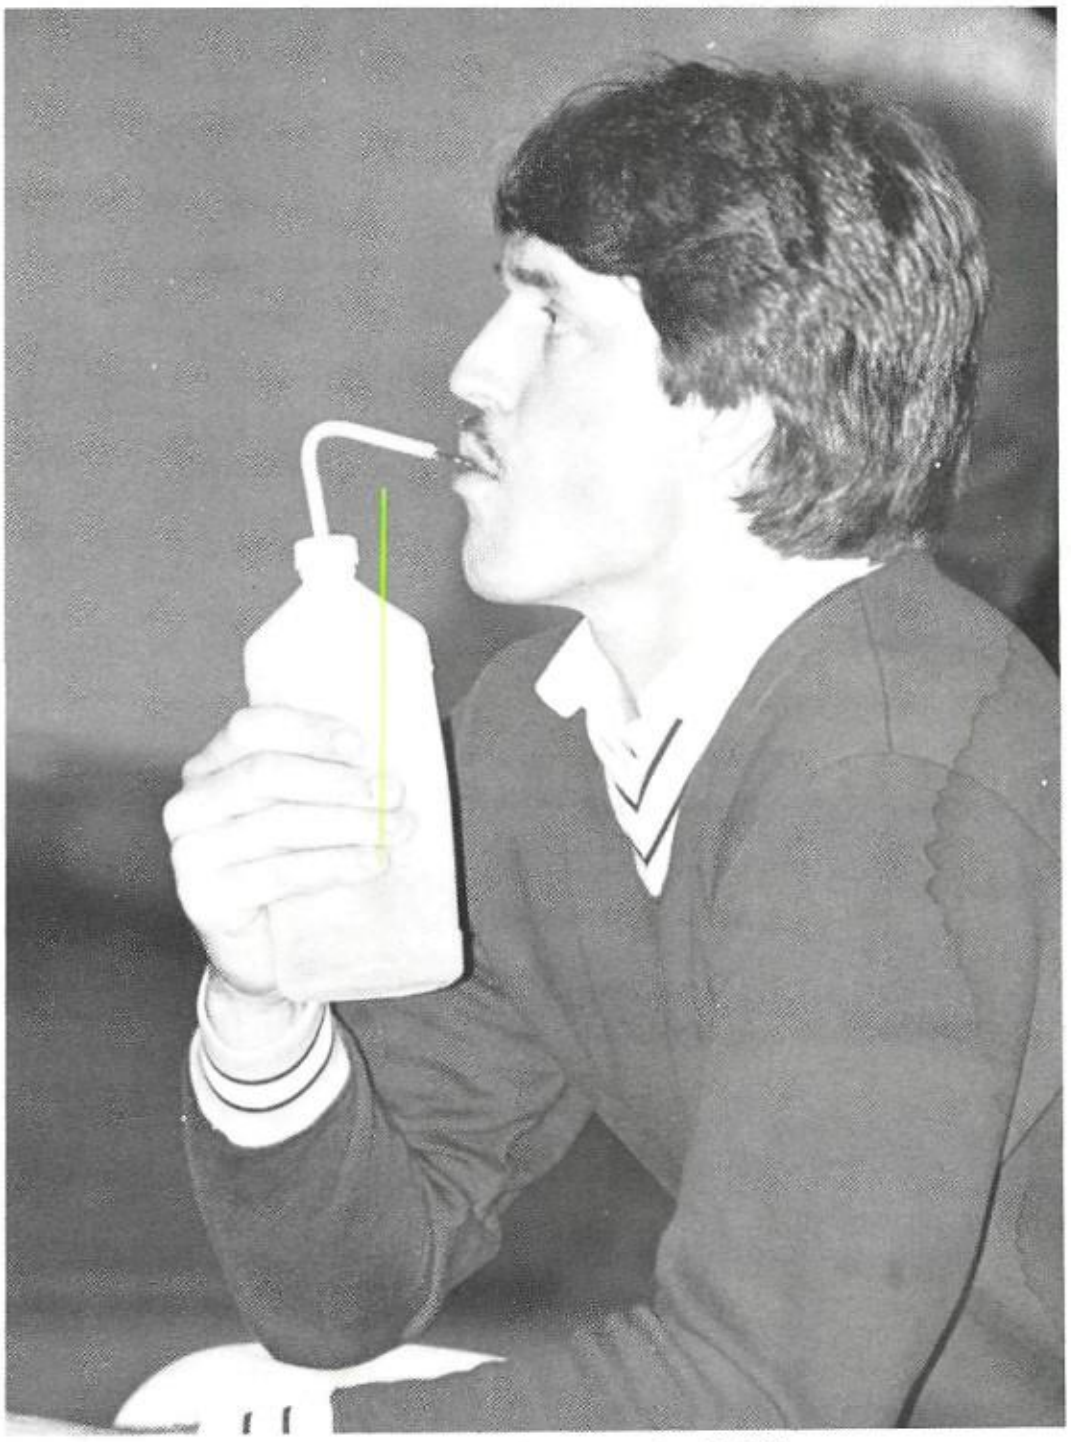
Senior Week

Class of '87

One of the "rites of winter" is the takeover of the school by the infamous and terrible *seniors*. For one week the building falls prey to their wild and crazy antics, as juniors and sophs cower in the back halls trying to avoid mayhem and humiliation. But, alas, the senior power finds them no matter where they hide. It's always a barrel of fun for the "big guys", as the younger folks secretly long for the time when it will be "our time".

Kevin Redford tries his hand on the wheel.



"These guys are driving me to drink!"

"Some days education means just hangin' around".

Here we go again . . . Sending our successful seniors into the jungle . . . But fear not, oh, wary viewer! These seniors are more than FIRED UP!!! The seniors looked defeat in the face and laughed, then went on to win with a vengeance. "Success", "spirit", "determination", and "friendship" are just a few of the words used to describe the seniors of '87. The school theme this year was "The Pride is Back", and our seniors were the anchor of this message upholding and showing pride always. "Pride" and "Senior" became synonymous terms, and with such a record, these seniors will be showing this quality throughout their future years.

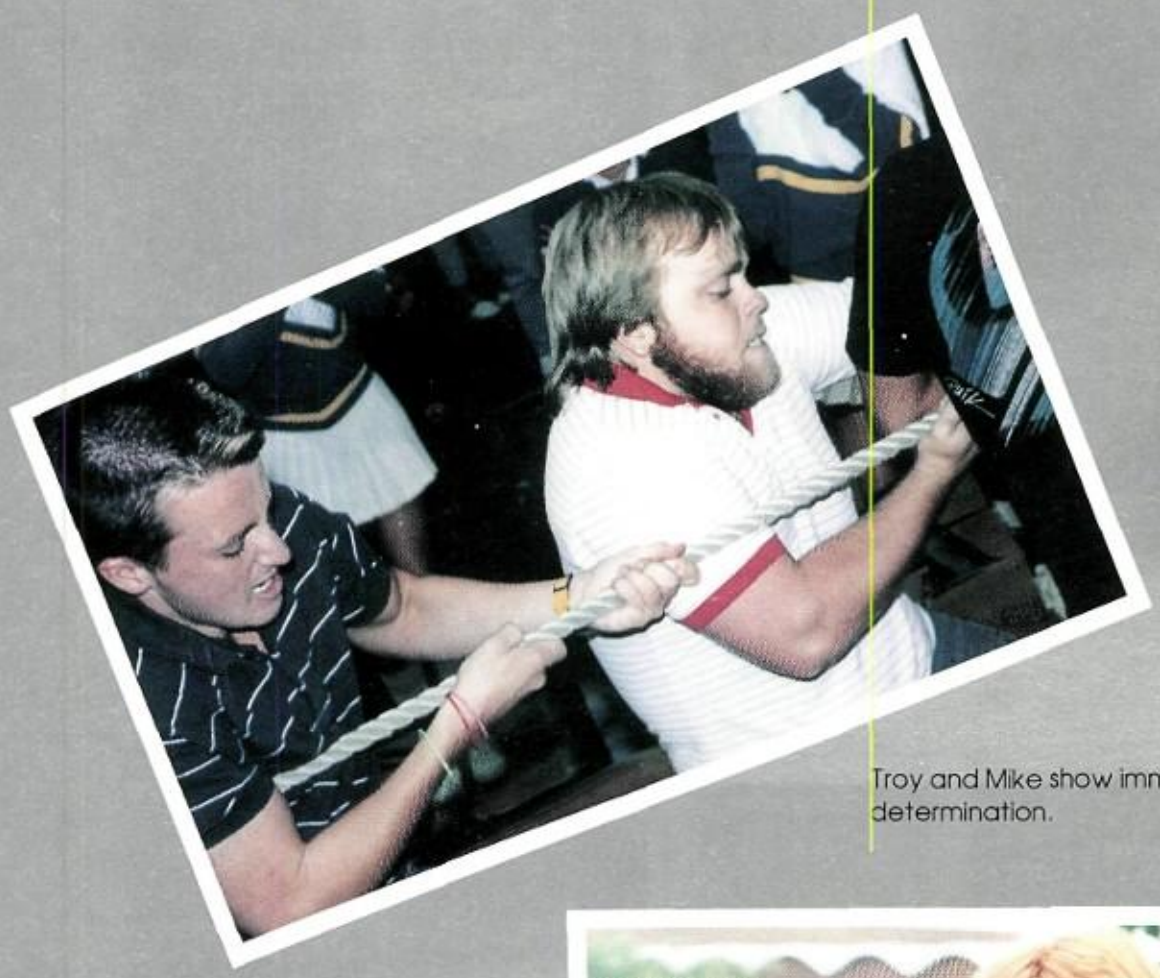
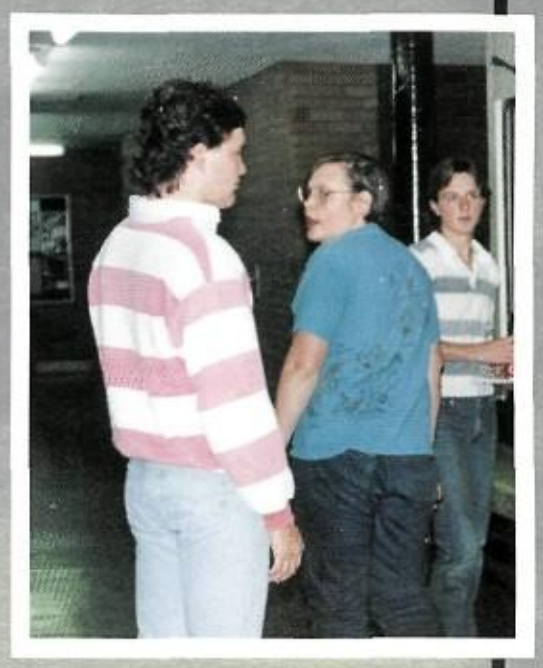
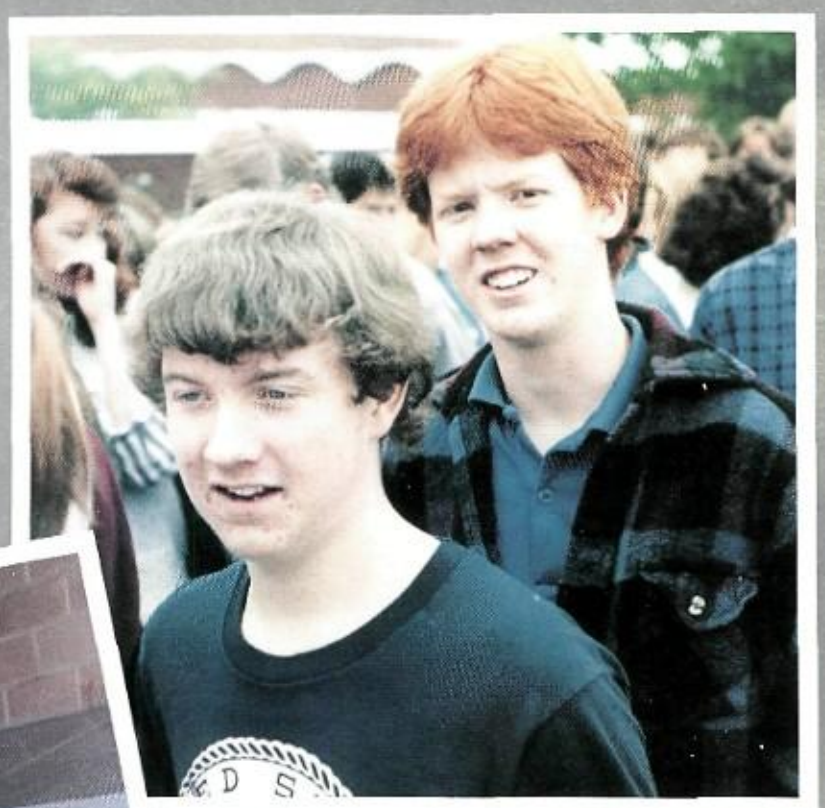
Our apologies for the alphabetizing errors.



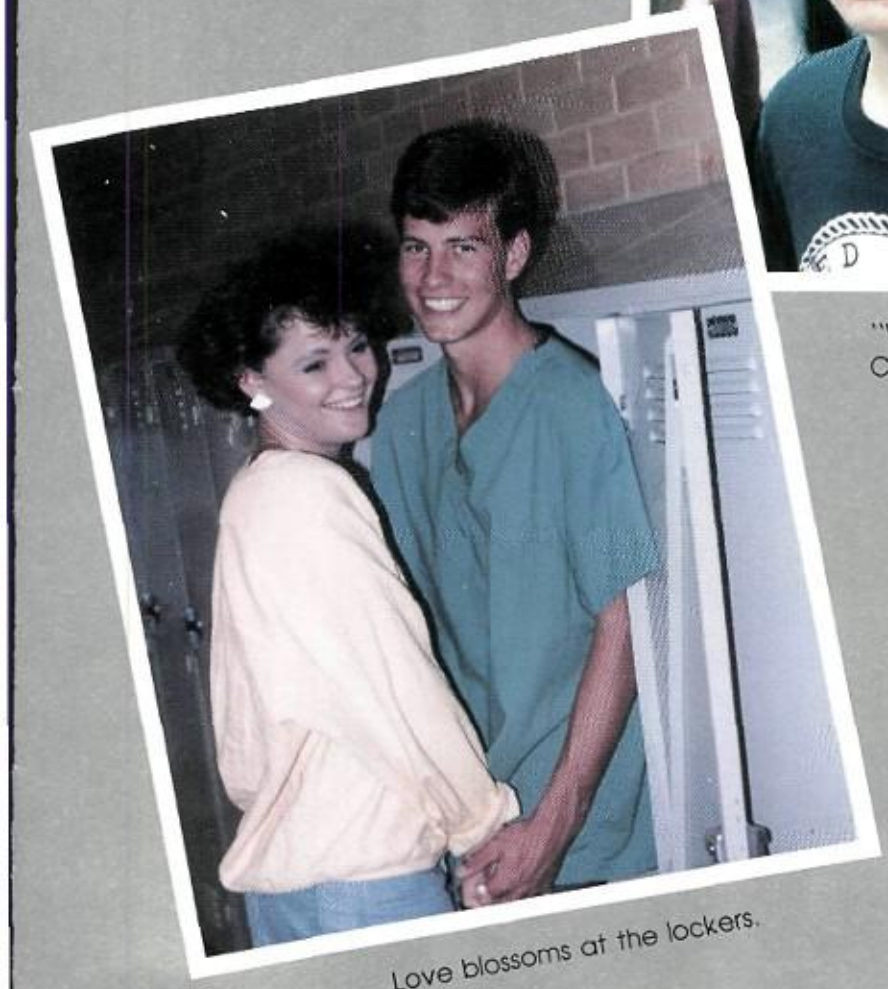
Troy and Mike show immense determination.



"Hey, Mark, if she says she won't go out with you, just start to cry."



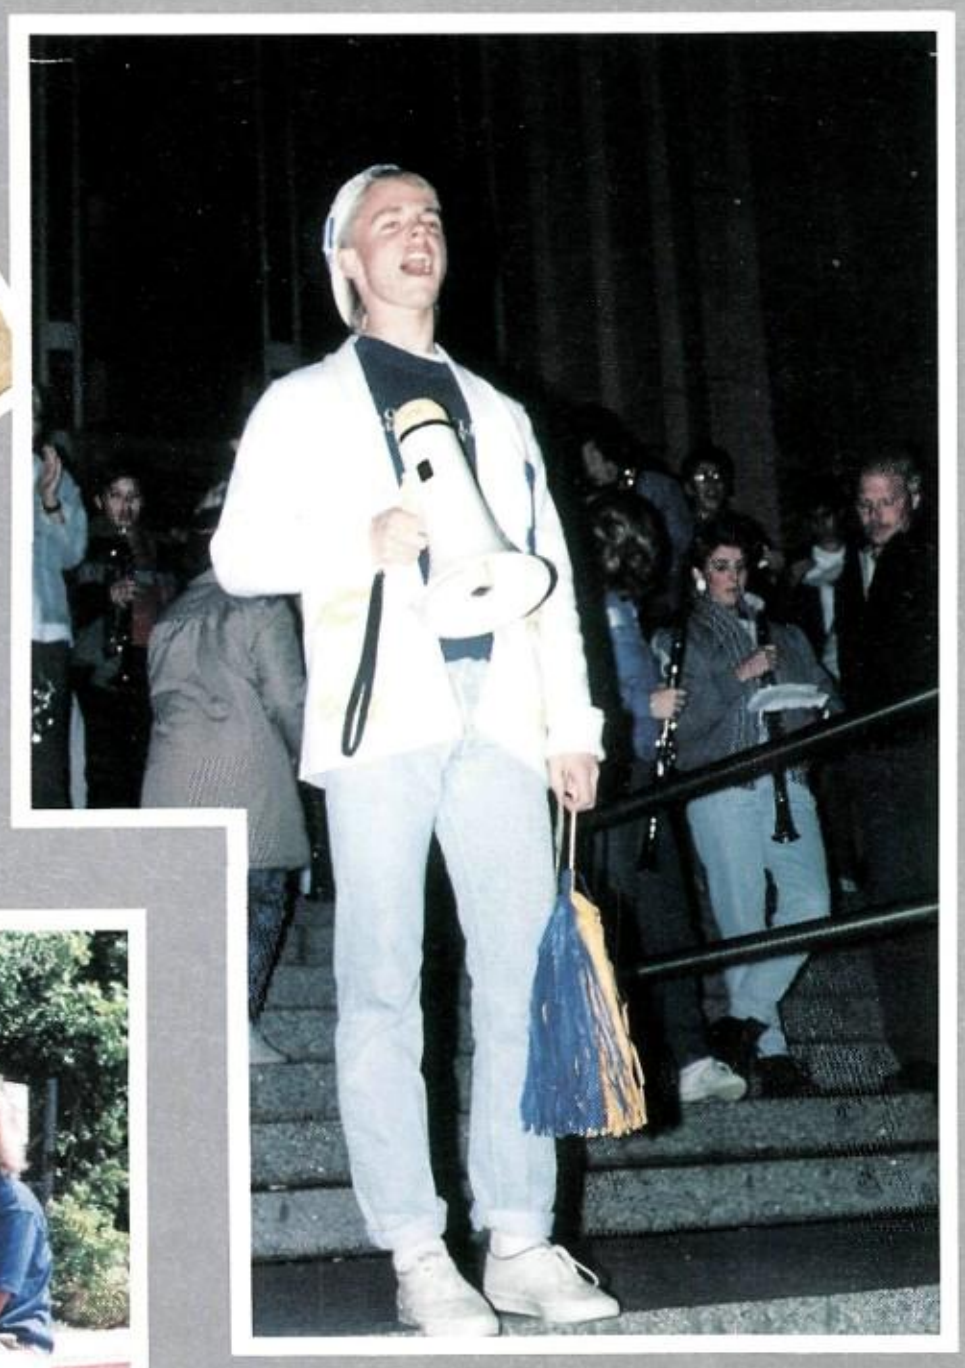
"When you're a senior, you're just COOL"



Love blossoms at the lockers.

Amy gets a free ride down the bleachers.

Troy Woody flys through the air with the greatest of ease.



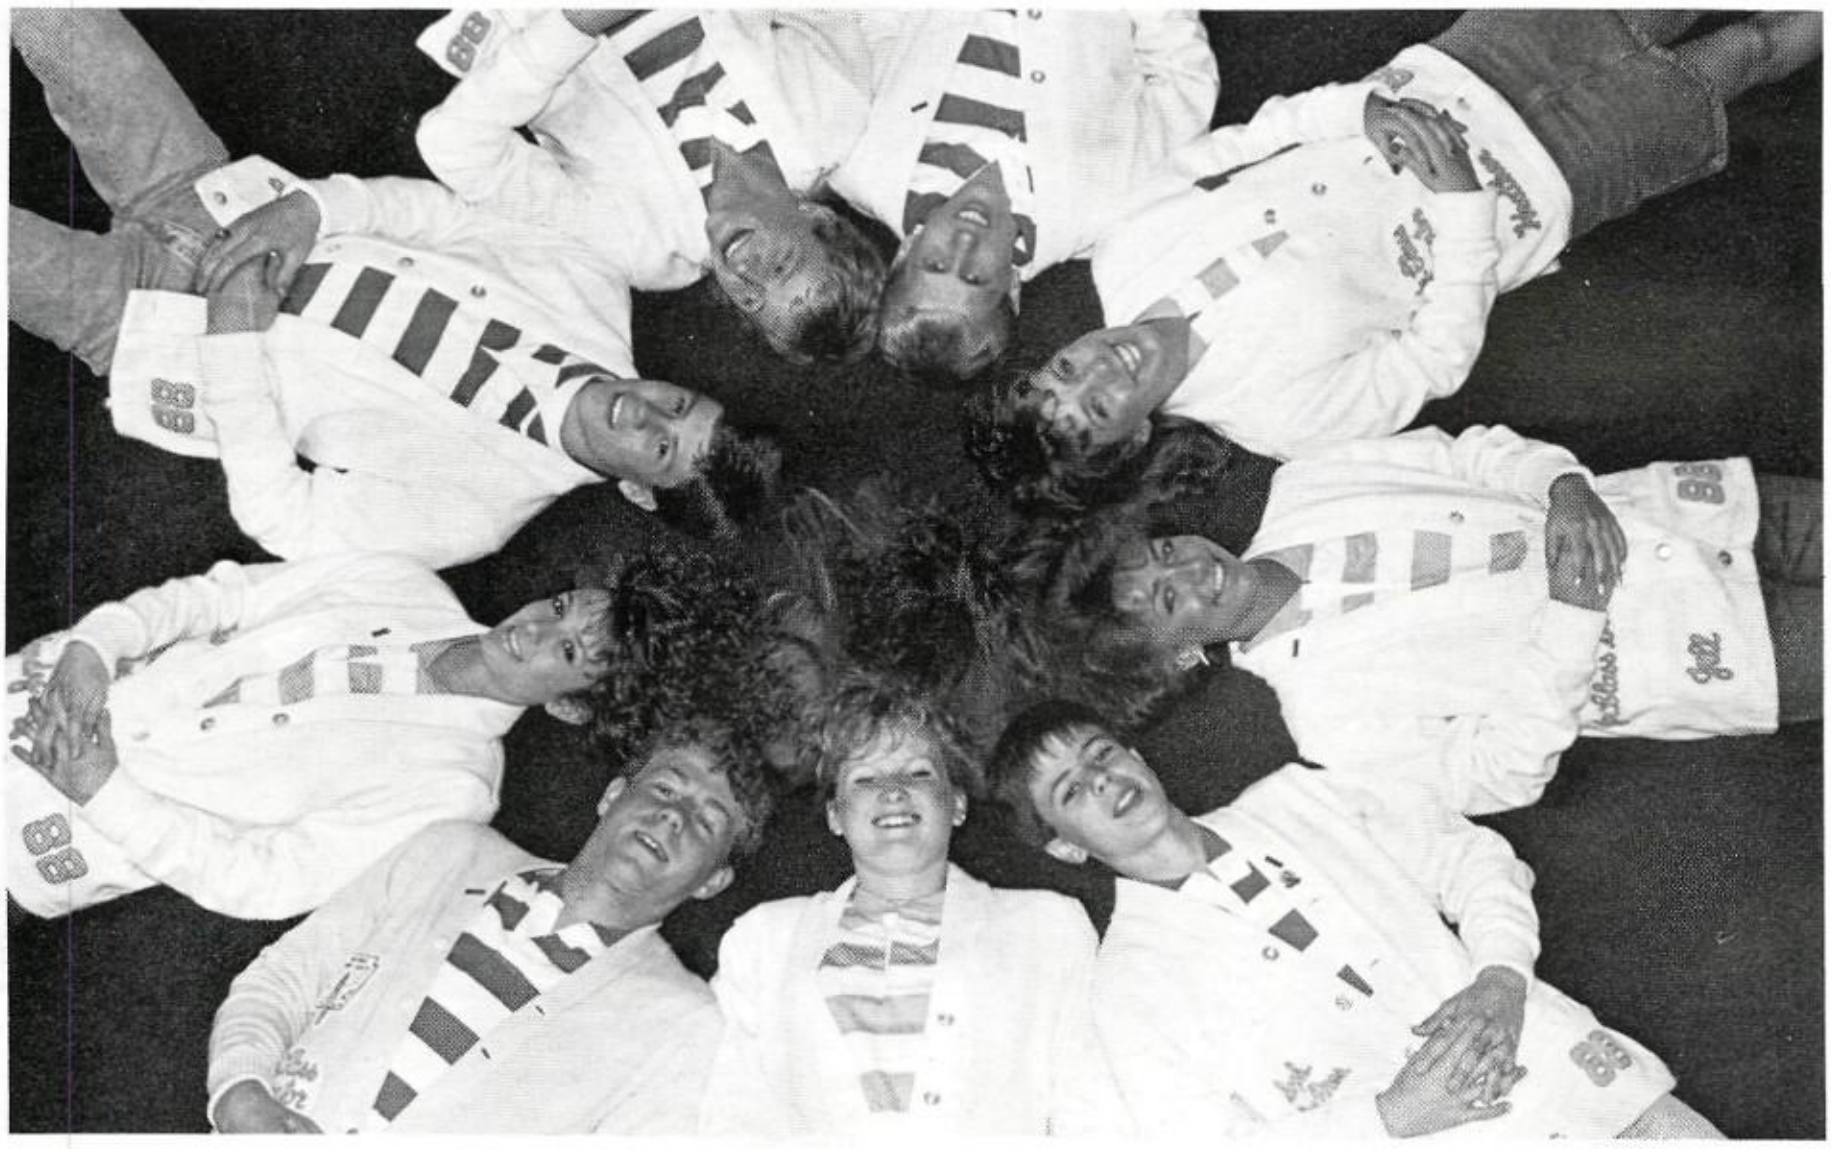
"Now, listen up! I'M the president!!!"

"This is the life! Four ladies AND a convertible . . ."

SENIOR POWER!

Seniors absorbed in deep thought . . .

CLASS OF '88



Starting at the top, moving clockwise: Jeff Holden, Heather Ratcliffe, Jill Rhodes, secretary, James Burton, president, Jill Corry, Jon Brinley, Kandy Cutrubus, vice president, Jim Jones, Jeff Kofford

O.K., so you're a junior. The world is better now. Why??? Because you have a driver's license and new vistas have opened up to you, friends . . . and places to go. Chances are, you also have a new source of income . . . namely, the first big job. Whether you realize it or not, your education has prepared you for that job and all the other new parts of your life that are inching you towards adulthood. A big part of this year was also the anticipation . . . of the big senior one ahead. Juniors burn with flames that will be fanned into blazing infernos, because JUNIORS ARE FIRED UP!!!

Class of '89

Curt Ward, Brady Blake, Melissa Baty, Eric Hellstrom, Mikelle Swenson, Preston Brown, Amy Adams, Stacie Edwards, Jason Horgesheimer

Coming through with flying colors, our sophomore class proved that the new guys on the block were Laker Great! The youngest members of B.H.S. jumped right into the action and helped build the fire of spirit even higher. Now they look to the next two years with an instilled attitude of pride and enthusiasm to achieve all they can as Lakers. We salute our sophomore class.

Christmas Dance

Dressed up and SHINING

The Lady and the Admiral

Last year's winners join the cheers

On December 20, 1986 the Christmas dance was held with the theme of "Best Friends". London Bridge was the band and the theme was sung by Kristi VanDyke and Curt Citte. The event, sponsored by the pep club, was a lovely, sentimental evening that set the stage for an eventful holiday season. Lady of the Lake was Kerry Carrigan and the Admiral was Mike Chadwick.

Homecoming

Here's to one fun night!

Hugs in the corner

Enjoying a pleasant moment between dances

"Forever By My Side" was the theme for this year's Homecoming Dance sponsored by the studentbody officers. Everyone felt the glow in the air at the conclusion of a fun and successful Homecoming Week. Miss Julie Christensen was chosen by the studentbody to reign as queen over the festivities.

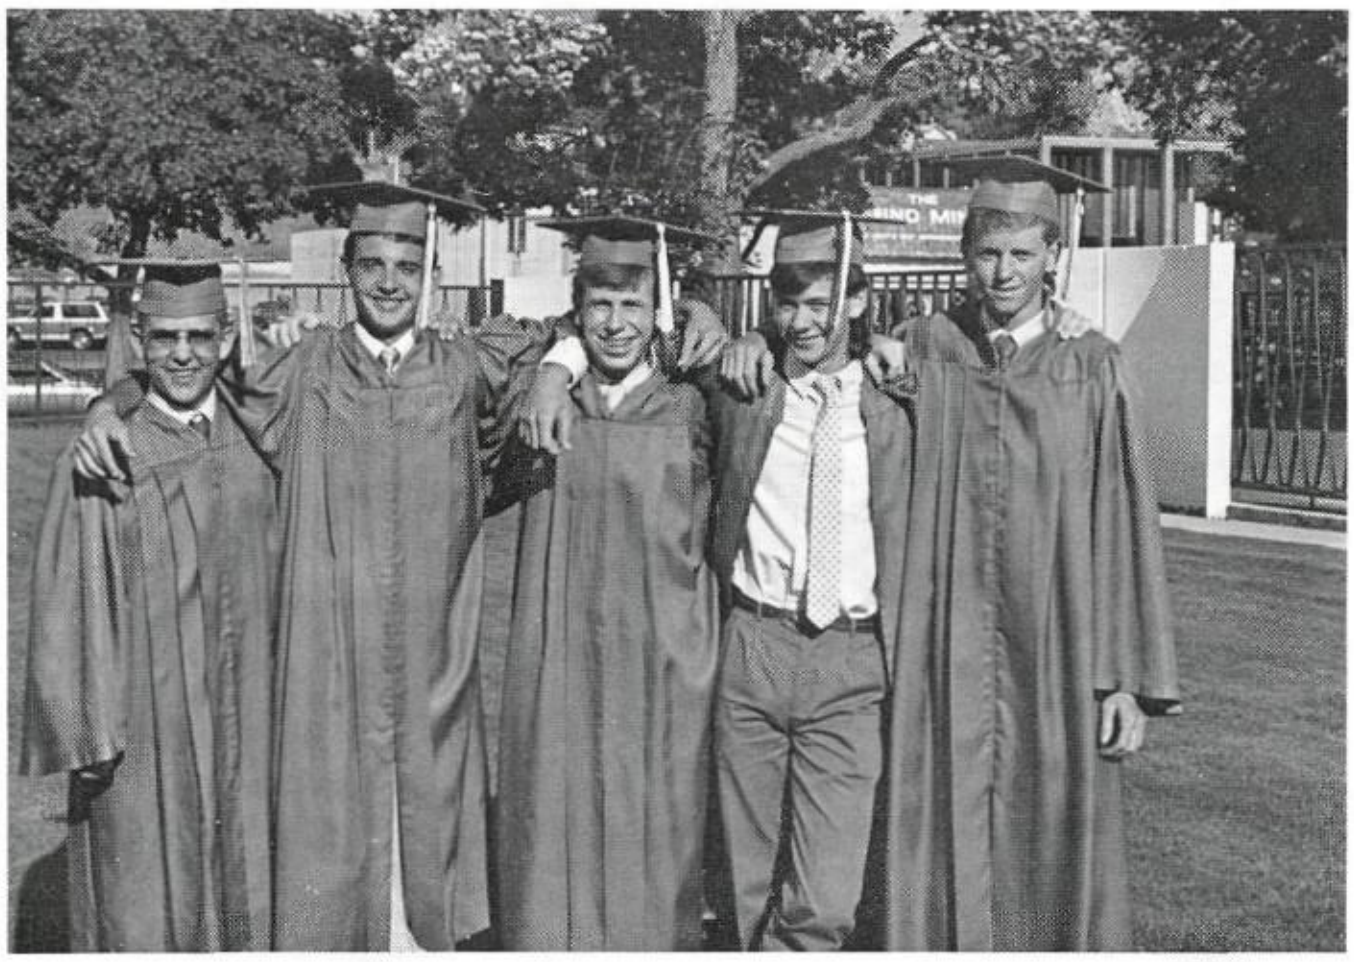
The Proudest

'87

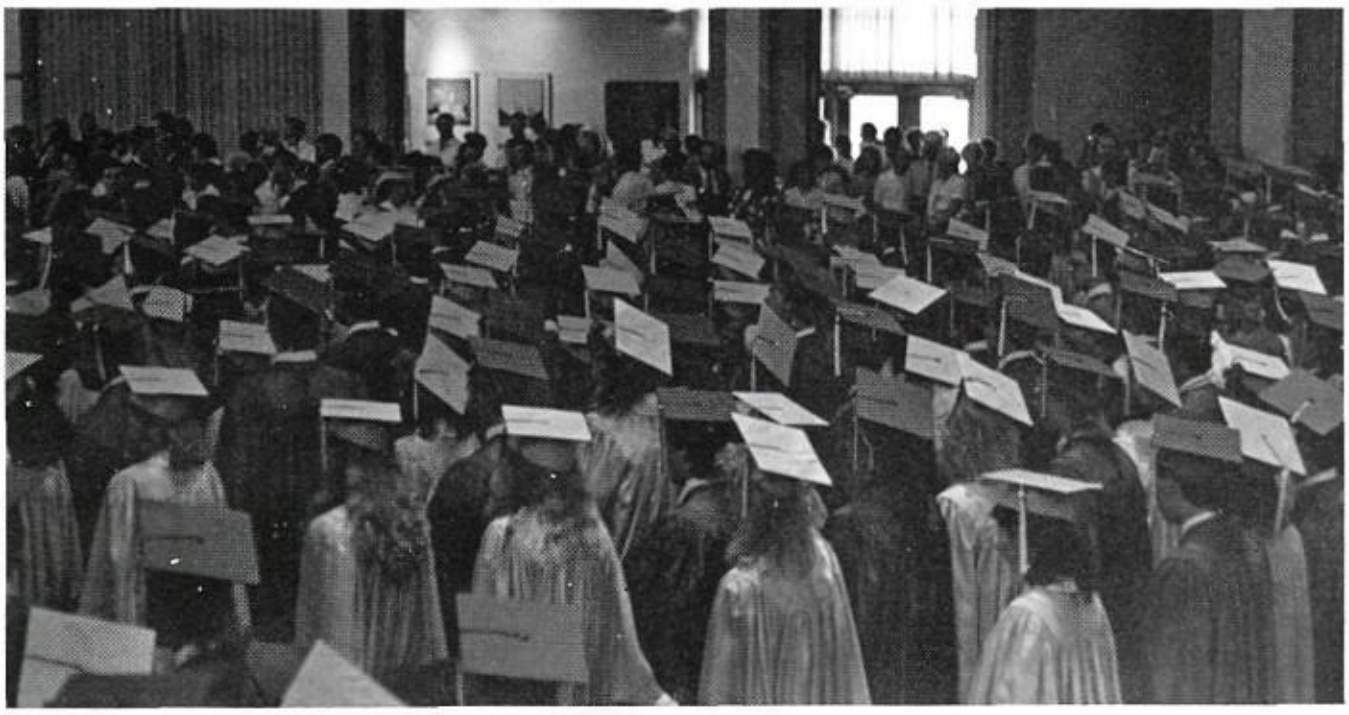
Our loved ones helped us reach this moment.

Our special moment is here.

Friends
Forever!

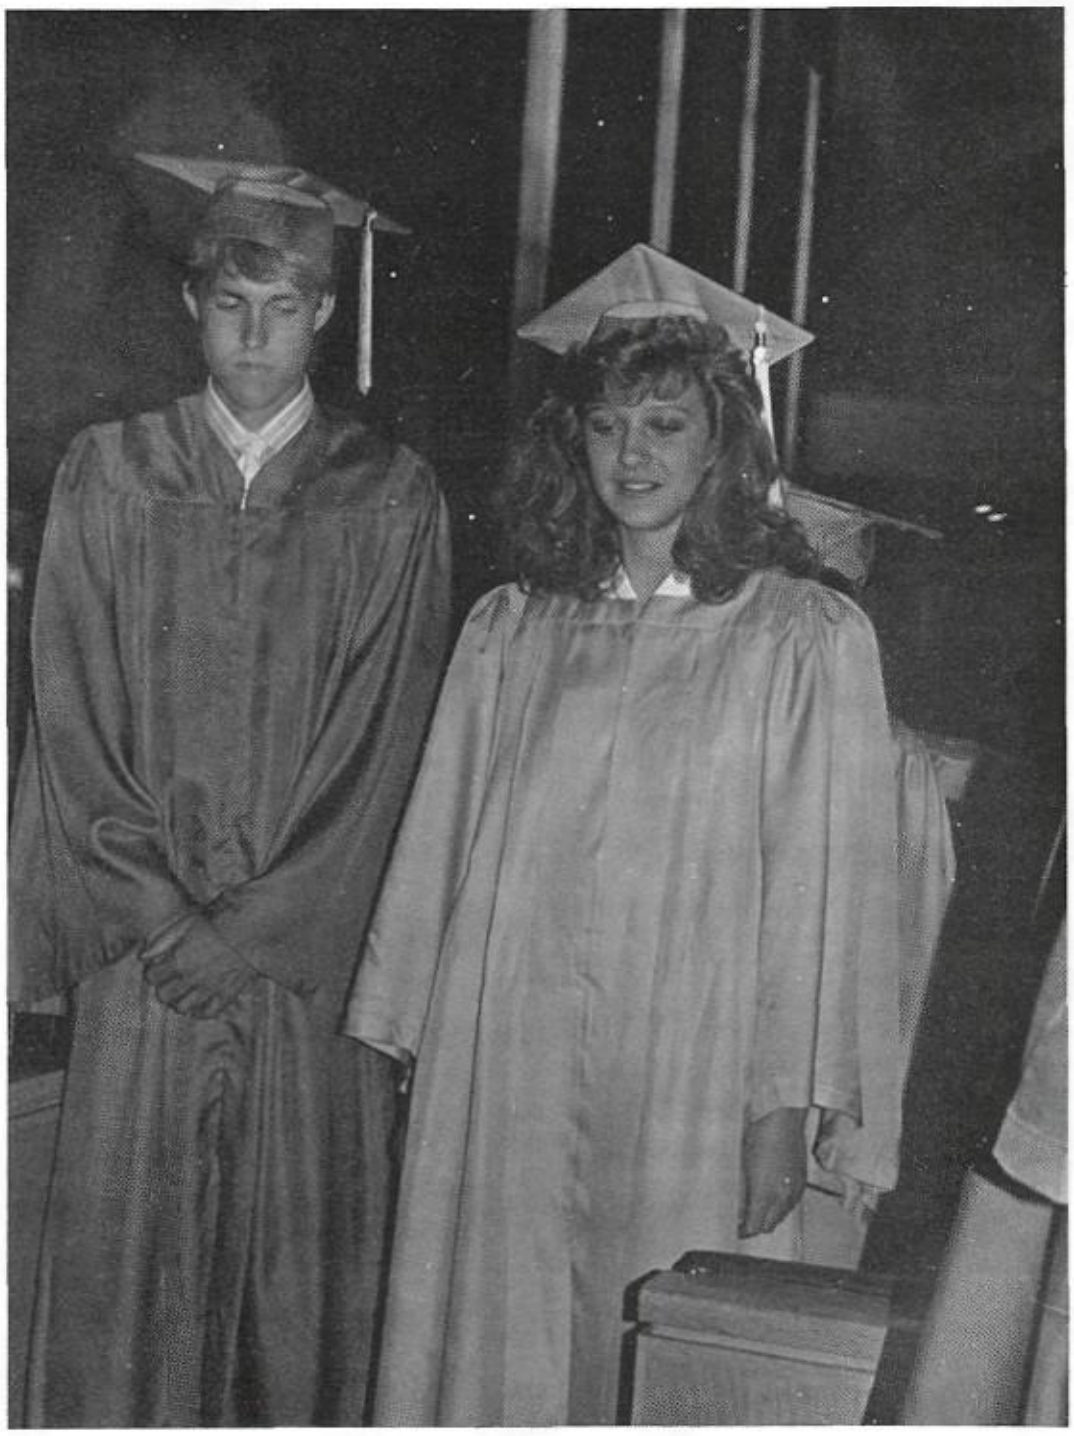


Lakers Yet!!!

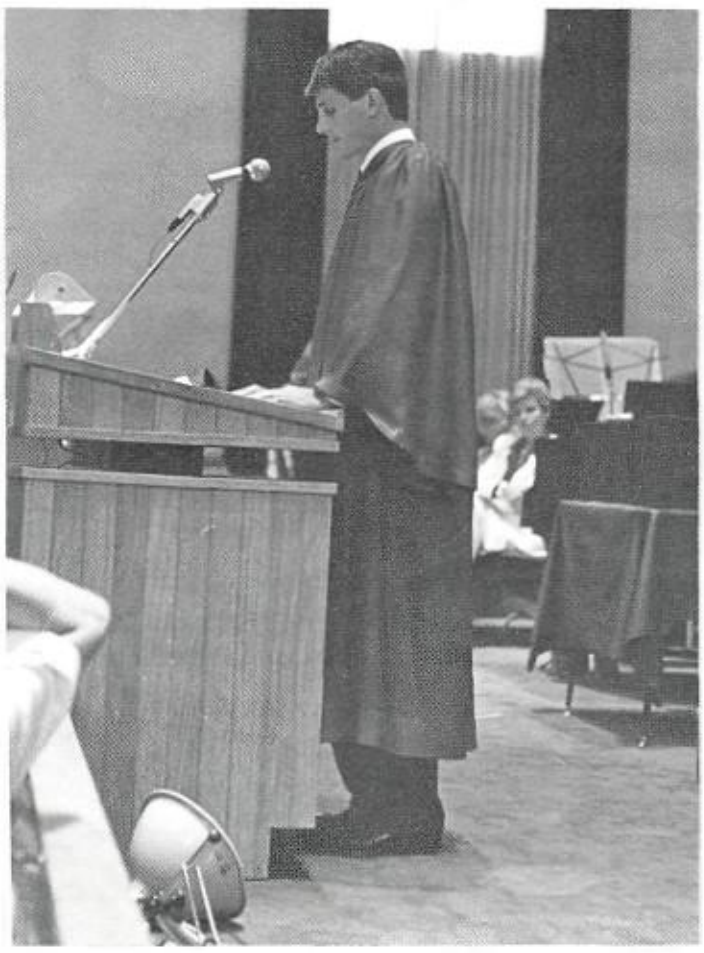


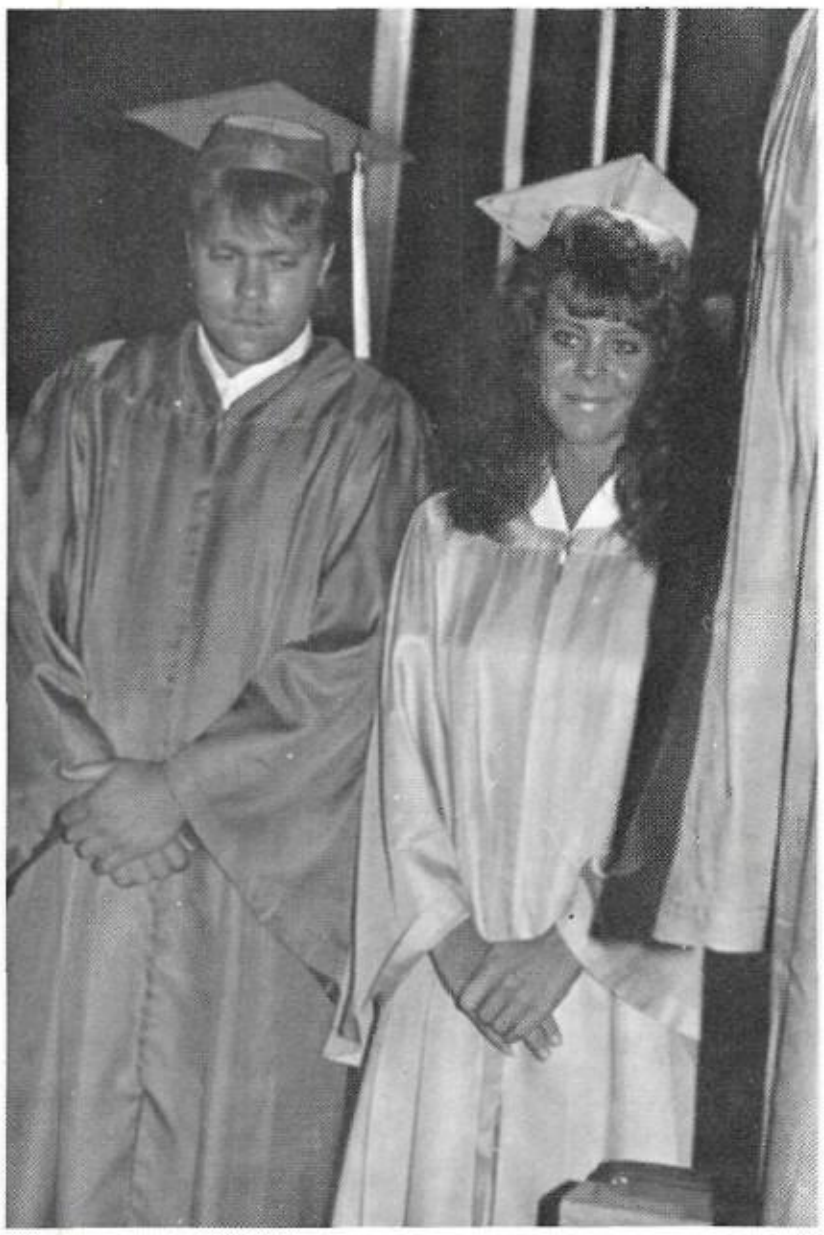
Standing in Unity; Saluting Each Other

Were there any
Prouder than we,
Any sadder than we,
Any happier than we
On this special day?
We took our last walk
Together,
And went into the world,
Lakers forever.

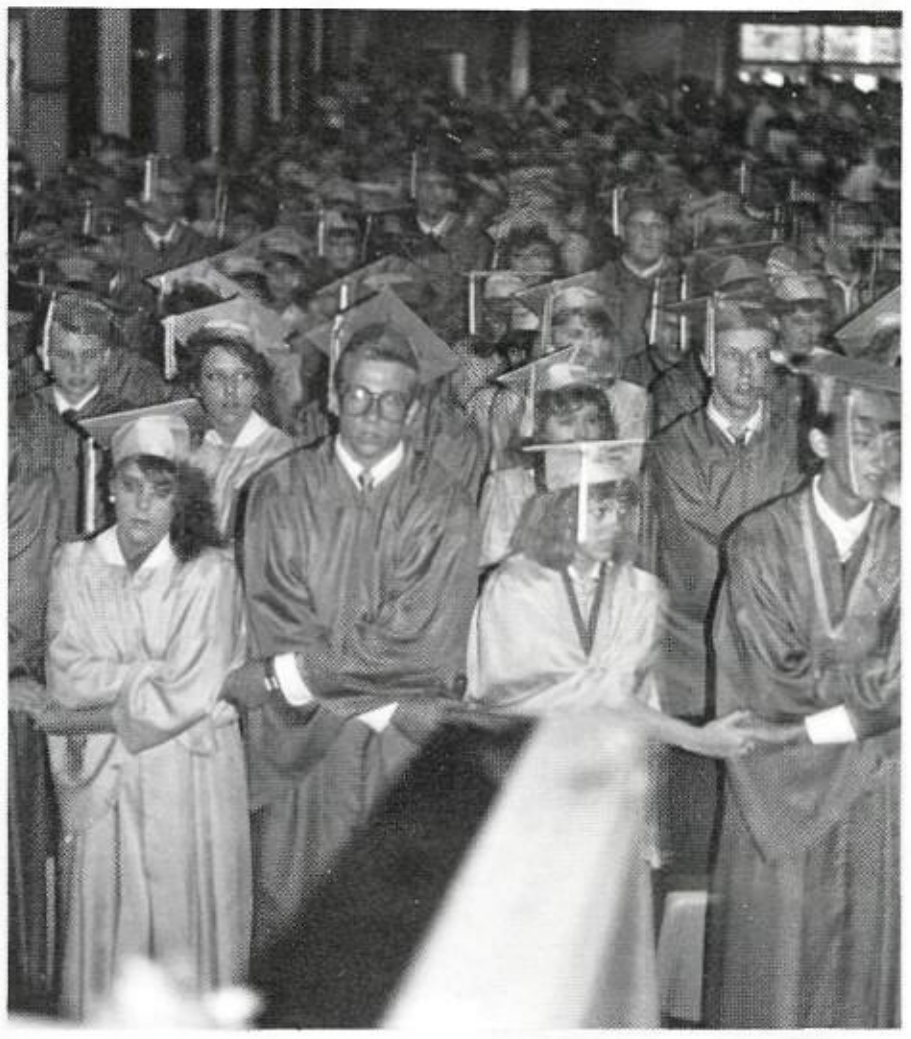


Waiting to walk across the stage





Solemn and reflective, we enter the world.

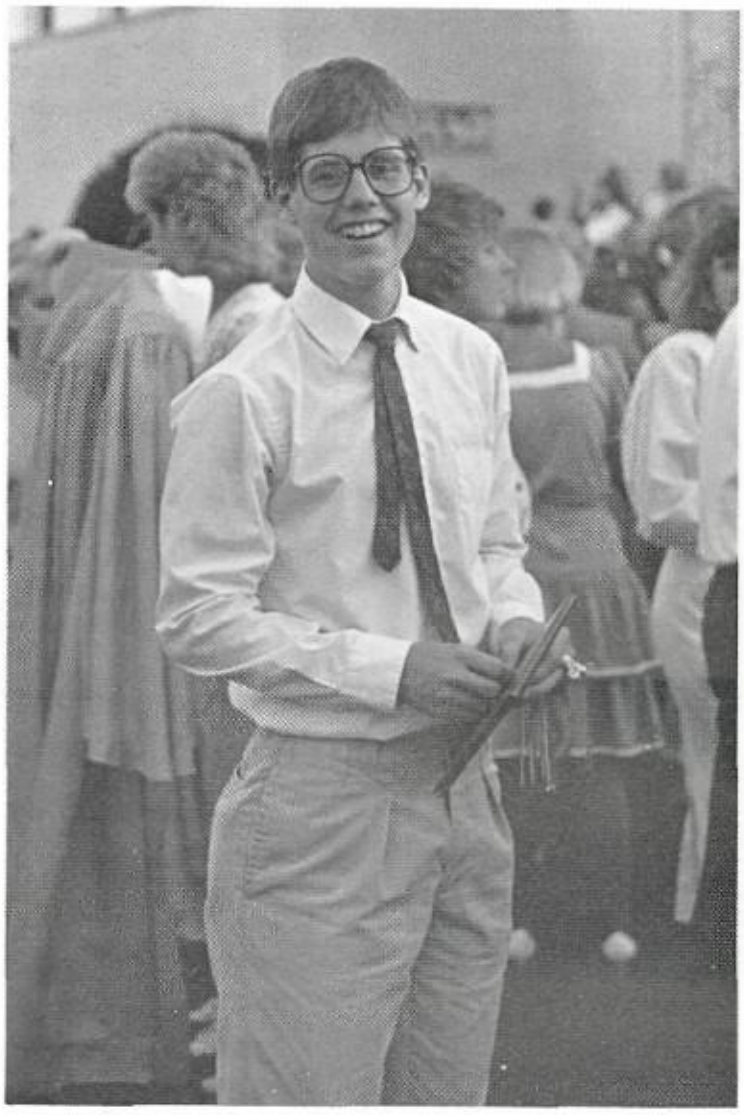


Holding hands
We stand in unity
As we sing of Noble Bonneville

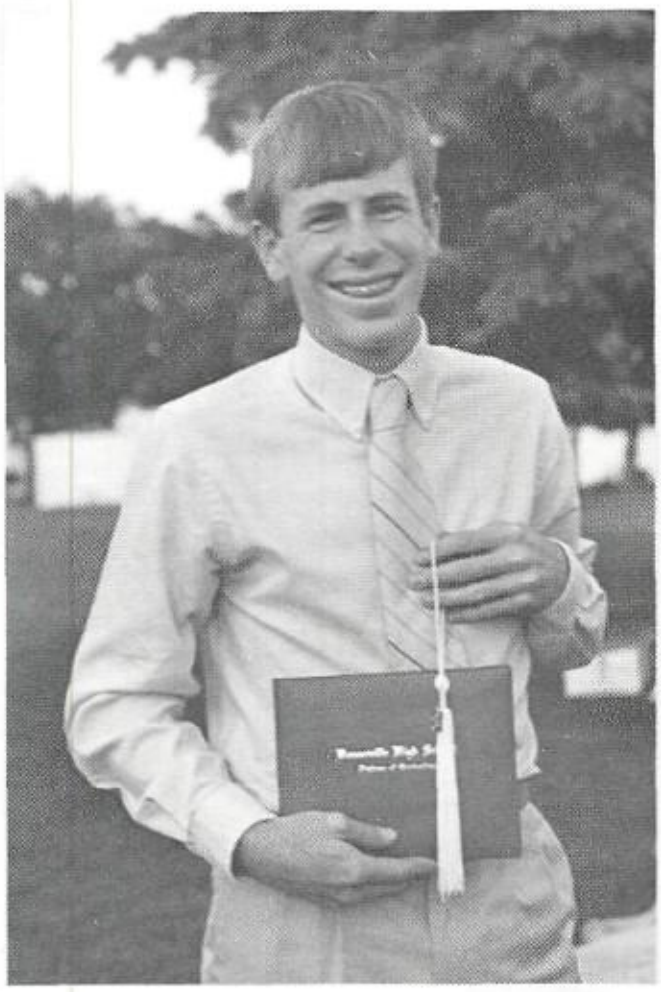
Memories,
Lifetime friends,
Knowledge,
Teachers,
Fun and
Victories . . .
All passed through our
Minds tonight.

Now to pick up the real diploma!

Joy mixed with tears



"Now I'm official!"



Signs of success

Mom's hug finishes off the ceremony.

Somewhere along the way
We shall meet again.

School Hymn

In this our long and lovely valley,
'Neath the skies of blue;
Nestles our stately Alma Mater
So glorious to view.

Chorus:

Lofty mountains rearing skyward
These inspire in us their will.
Hail to thee our Alma Mater
Noble Bonneville.

To all who come, she offers knowledge
Friends and memories, too.
For this we proudly sing her praises
To Bonneville be true.

Beneath the shoreline of Lake Bonneville
May our school e'er stand,
A monument to truth and freedom,
In this our cherished land.
